WOMEN OF THE CHURCH NEWS

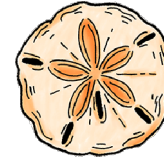

Four ladies had an informal meeting on May 12.
We heard our financial report.

We discussed the results of the Knippa High School dinner. 43 persons attended including seniors, school personnel and church members. Meat sauce, pasta, salad and a variety of desserts were served. Gifts for the seniors were provided by Southwest College, First State Bank, TXN Bank and the church. Students expressed their appreciation of the event. We did mention the need to try to reduce the time and volunteers needed for this project.

We also discussed the purchase of new Bibles to be placed in the pews. We are looking for large print and New International Version Bibles. We have recruited some recommendations from various people. A decision will be made soon.

We talked about the Bible Study we would present at the Veranda on May 27. We will view a video and follow with discussion.

Our next meeting will be on June 17 since Vacation Bible School is during the second week.

Christian Symbol

SAND DOLLAR — These delicate shells, found in shades of white, tan and soft purple, come from sea urchins related to starfish and sea cucumbers. Their unique markings have long been associated with the story of Christ's birth and death. The faint images resemble a poinsettia and a lily, symbols often connected to Christmas and Easter. Five small openings are said to represent the four nails and the spear used at the crucifixion. Inside the shell are tiny shapes that look like doves, a reminder of the Holy Spirit.

Wednesday Activity Nights

at **6:30pm** – Everyone is invited to attend our Activity Nights for fellowship and to play card games or dominoes
